

You'll need: Scissors. Pens to colour in. Glue or sticky tape.

1. Colour your Creature shoe before cutting it.
2. Carefully follow the lines to cut it out.
3. Cut lines A and B up to the DOT.
4. Then stick the triangle shapes so they overlap each other.

5. Fold E up to make the back of the shoe.
Fold C and D to form the bottom of shoe shape.
6. Secure the back of the shoe with bit of tape or glue.
7. Then using the cuts in the eyes, fit them together.
8. Glue the front of the shoe strap to secure the whole shoe.
Then lastly fold up the teeth!
